Dear Friend of Fair Haven,

Last year Fair Haven received a total of 493 crisis calls from victims seeking shelter or outreach services. We served a total of 170 victims in the shelter, 75 victims in outreach, and 4 dogs and 3 cats received pet shelter and services. Fair Haven offers solace and a safe haven to families and individuals. Victims are offered support, counseling and life-changing skills needed to break the chains of domestic abuse.

If you have given in the past, we would like to say thank you! We truly would not be able to do what we do without the kindness and generosity of our community.

We are asking for your support during this fundraising event. Will you please choose a sponsorship level to support this dynamic fundraiser for our community?

*Join us as we celebrate women, enjoy great food,
and showcase the latest fashions.*
